

Accelerate your Cloud journey with tailored Azure insights

Whether you are already using Azure or are still in the evaluation phase, the Azure Accelerator Workshop will provide you with precise insights and actionable solutions for your individual requirements.

CONTENTS

1

ANALYSIS OF THE EXISTING AZURE ENVIRONMENT

If you already use Azure, we will review your existing infrastructure, its governance and security.

2

BEST PRACTICES

Learn best practices for building and deploying Azure in your organization.

3

SUMMARY AND ACTION PLAN

At the end of the workshop, you will receive a comprehensive summary of the insights gained and a concrete action plan to optimise your Azure strategy.
