

MICROSOFT COPILOT

POWER ACCELERATOR WORKSHOPS

Accelerate Your AI-Powered Transformation

The Microsoft Power Accelerate workshops support your company on its path to AI-powered transformation. All workshops offer a structured introduction to the use of AI with Microsoft technologies by helping to identify potential, implement initial solutions and shape organisational transformation.

How can you benefit from this?

Unser Team analysiert, für welchen Workshop dein Unternehmen in Frage kommt, und begleitet dich dann durch den gesamten Prozess.

Aim of the Copilot + Power Accelerate programs:

- Comprehensive support for customers throughout their AI transformation journey
- Flexible, modular engagements tailored to customer needs
- Focus on measurable business results and sustainable use
